

Quill Productions

Quill Clean & Dri Disinfectant Powder

A powerful ground-dry disinfectant powder containing Defra-approved disinfectant

Defra Approved

Contains BioVX
effective against Foot
& Mouth, Avian Flu

BENEFITS

- ✓ Absorbs moisture without drying skin
- ✓ Kills most pathogens within 5 minutes, lasts up to 1 week
- ✓ Quickly reduces ammonia smell and other noxious gases leaving a pleasant smell
- ✓ Improves consistency of slurry
- ✓ Extremely effective in bedding areas, even working in contact with bedding and waste
- ✓ Ideal in passage ways and movement areas

COMPOSITION

A natural blend of minerals, bactericide & ground root vegetable.

MADE IN
BRITAIN

25kg

APPLICATIONS

EXAMPLES OF USE:

Animal bedding, equine stables, cow cubicles, calf pens, pig housing, lambing pens, game rearing pens, brooding pens & nest boxes.

HOW TO USE:

Can be applied by hand or by blower.

For best results, remove soiled bedding and organic matter first. Sprinkle powder around desired areas.

Approx 100g per sq. m

We recommend layering powder with your choice of bedding for maximum absorbency.

PRODUCT INFORMATION

Appearance: Pink powder
