

## Quill Productions

# Quill Lyte Plus

**Electrolyte with B vitamins to assist with hydration, restore energy and improve resistance**

### BENEFITS

- ✓ A combination of balanced ionised salts, multi-vitamins and nutrients
- ✓ Helps to prevent dehydration, to replenish body fluids and restore resistance
- ✓ Helps to reduce early mortality & starve out
- ✓ B Vitamins are vital to assist absorption of glucose in the digestive tract
- ✓ Glucose to give birds or animals a sustained energy boost

**SUITABLE FOR:**  
Poultry,  
Gamebirds, Ducks  
& Racing Pigeons

### KEY COMPONENTS

B Vitamins, Glycine, Vitamin C, Dextrose, Magnesium Sulphate

### SUPPLIER INFORMATION

**Product Name:** Quill Lyte Plus  
**Product Code:** EQLP  
**Supplier:** Quill Productions, Manor Farm,  
Pulham, Dorset DT2 7EE

Dilution Rate  
**5 : 1000**

### DOSING INSTRUCTIONS

Can be used daily. Add to drinking water; directly into drinkers, tanks or with a dosing pump.

**Dilution rate 5: 1000**  
**(5ml of Quill Lyte Plus per 1000ml water)**

We recommend the use of water sanitiser with waterlines to prevent bio-film build up. Not recommended for use at the same time as wormers or vaccinations in the water.

## FURTHER INFORMATION

### Extra B vitamins

Vitamin B12 is necessary for chick growth and development, particularly in converting their feed into body weight more efficiently.

We formulated Quill Lyte Plus with B Vitamins to improve birds response to pathogens and to assist the absorption of glucose in the intestinal tract.

### Energy boost

Quill Lyte Plus provides essential electrolytes which help birds to rehydrate after times of stress, such as after transport, during hot weather, after racing and when laying eggs.

Often called 'red bull for birds' by our customers, Quill Lyte Plus has a slightly sweet taste that encourages birds to drink more water.
