HERCULES™ NSR 3041 (Code: HEX3041)

NEEDLESTICK RESISTANT

HexArmor® sets the industry standard for needle protection with innovative solutions for a variety of applications. Hercules™ NSR utilises high performance **SuperFabric®** technology engineered to provide the highest levels of needle and cut protection available on the market. The glove offers full coverage over the entire hand for the most harsh applications and was tested using actual 25 gauge needles.

Don't get stuck with faulty hand protection – use HexArmor®.

the science of safety™
