**Exceptional grip performance in a comfortable ultralight weight cut resistant glove**

PRIMARY INDUSTRIES

IDEAL APPLICATIONS

- Assembly of small sharp parts
- Handling small sharp metal parts
- Light duty stamping
- Maintenance

DESCRIPTION

- The new INTERCEPT™ cut resistance yarn has been designed to exceed industry standards. This Ansell proprietary technology offers best-in-class cut protection and increased comfort with dexterity.
- The liner also features ZONZ™ Comfort Fit technology for enhanced fit, higher dexterity and reduced hand fatigue.
- The FORTIX formulation provide enhanced abrasion resistance and grip, which extends gloves' working life and improves comfort in abrasive applications.
- Silicone free
- Dirt masking colours for longer wear times.

## Cut Protection

Print date 18-11-2015

**Glove material**

- Nitrile foam (Coating material)
- Seamless plaited liner with INTERCEPT™ technology yarn (Liner material)

**Possible Harmful ingredients**Sensitizers

- No sensitizers

Reach Regulation 1907/2006

For more information, please consult the REACH statement on the Ansell website

**Properties**

- Excellent dry grip
- High level of comfort
- Lightweight, form-fitting design without seam stitching offers excellent comfort, dexterity and tactility
- Outstanding abrasion resistance
- Superior cut protection

**EN Test Data****Abrasion resistance:**

Performance level 4

**Blade cut resistance:**

Performance level 3

**Tear resistance:**

Performance level 4

**Puncture resistance:**

Performance level 2

**European conformity**

Gloves conform to the requirements of the European Directive 89/686/EEC and to the European standards EN 420:2003 + A1:2009 and EN 388:2003

They are categorised in "Intermediate Design" (= Protection against intermediate risks).

EC-Type Examination Certificate for the final product by  
Centexbel  
Technologiepark 7  
B-9052 Zwijnaarde

**Application - Limitations of use**

Do not use against flames or temperatures &lt; - 25°C or &gt; 100°C

Do not use against chemicals; the glove is not liquidproof

**Storage**

Keep away from sources of ozone or ignition.

Keep out of direct sunlight; store in a cool and dry place.
