

NitraSafe®

28-360

Heavy duty fully coated kevlar glove

Cut

Heavy Duty

DuPont™ Kevlar® reinforced hand protection with comfort and flexibility

- Ansell's NitraSafe® range of protective gloves combines the outstanding protection of Kevlar® - reinforced construction with the grip and flexibility of Ansell's advanced nitrile coating technology. The NitraSafe® range stands for safe handling of oily heavy metal parts, while the NitraSafe® Foam combines good grip and comfort
- Both gloves, possibly in combination with the NitraGold™ cuff, offer outstanding mechanical protection against cuts and abrasion

Industries

- Automotive

Applications

- Handling parts with sharp, rough edges
