Sempermed presents the new

semperguard[®] Latex comfort

... the comfortable latex

- Natural
- Chlorinated
- Excellent elasticity
- Enhanced wear comfort

Positioning and areas of application

The **Semperguard[®] Latex Comfort**, which is powder-free and chlorinated via innovative online technology, offers enhanced wear comfort with no compromise in terms of Sempermed's customary chemical resistance* and reliable brand quality. The wall thickness of the new **Semperguard[®] Latex Comfort** has been further reduced in comparison to the existing *Semperguard[®] Latex IC*, giving the product a snug fit like a second skin, and offering extra comfort.

The **Semperguard[®] Latex Comfort** can be used in a wide variety of areas by those who prefer latex gloves, and its good grip provides extra sensitivity.

Innovation

With the introduction of the **Semperguard[®] Latex Comfort**, the Sempermed Research Department has succeeded in using its comprehensive development expertise to develop a formulation which, with its reduced wall thickness, conforms to the highest medical standards (EN 455). It also offers resistance to common chemicals (see Chemical resistance datasheet at www.sempermed.com).

inform[®]

CE marking

The new **Semperguard[®] Latex Comfort** conforms to the standards EN 420, EN 374 and EN 455 and fulfils the following requirements:

- PPE in accordance with CE Category III: waterproof protective gloves for chemical hazards* (in accordance with EU Directive 89/686/EEC).
- Medical device in accordance with CE Class I: examination gloves (in accordance with EU Directive 93/42/EEC).
- Viral resistance in accordance with ASTM F1671.

In addition, the **Semperguard[®] Latex Comfort** fulfils the requirements of EU Regulation 1935/2004 on food contact.

Logistics

The new **Semperguard[®] Latex Comfort** is available to order now.

| Articlenumber | Description | Contents | EAN Code Dispenser | EAN Code Transport carton |
|---------------|---|----------|--------------------|---------------------------|
| 813777933 | Semperguard [®] Latex Comfort S | 100 pcs. | 9001570526199 | 9001570526243 |
| 813777935 | Semperguard [®] Latex Comfort M | 100 pcs. | 9001570526205 | 9001570526267 |
| 813777937 | Semperguard [®] Latex Comfort L | 100 pcs. | 9001570526212 | 9001570526281 |
| 813777939 | Semperguard [®] Latex Comfort XL | 90 pcs. | 9001570526229 | 9001570526304 |

| Package dimensions [mm] | Width | Length | Height |
|-------------------------|-------|--------|--------|
| Dispenser box | 122 | 240 | 65 |
| Transport carton (tc) | 249 | 340 | 250 |

| Loading | |
|---------|-----------|
| 20' | 1,392 tcs |
| 40' | 2,838 tcs |
| 40'HC | 3,220 tcs |

In the case of mixed orders, and in order to optimise your container loading volumes, it is advisable to order the **Semperguard[®] Latex Comfort** in conjunction with the *Semperguard[®] Latex powdered*, *Semperguard[®] Nitrile Comfort* or *Semperguard[®] Nitrile Xtra Lite*.

For more product information, product specifications, declaration of conformity, price or delivery times, please contact your Area Sales Manager.

We look forward to receiving your order!
