Bream Creek Vineyard

◊ T A S M A N I A ◊

Bream Creek Vineyard is one of the pioneers of the modern Tasmanian wine industry. Our 7.5ha vineyard at Marion Bay in the south-east of Tasmania was originally planted in 1974, making it one of the oldest commercial vineyards on the island. Fred Peacock purchased the vineyard in 1990 and expanded the Pinot Noir and Chardonnay plantings, as well as introducing Sauvignon Blanc. Fred also planted what was arguably the first commercial planting of the rare German grape variety Schönburger in the southern hemisphere. Since 1990 our premium cool climate wine has been rewarded with 31 trophies and more than 740 show medals.

2018 Bream Creek Late Picked Schönburger

Tasting Note

Vintage 2018 will be remembered as one of the earliest, quickest and largest vintages to date. The quality of grapes received was excellent, with the warm weather during vintage allowing us to harvest at optimal flavour ripeness.

This dessert wine – made from the extremely rare German Schönburger grape variety – shows delicate aromas of apricot marmalade, poached yellow peaches and crystallised ginger. The palate is smooth and elegant, rich yellow stone fruit flavours matched with a clean and refreshing finish.

Well balanced, this versatile dessert wine can match soft cheeses or decadent desserts with equal aplomb!
