"The Skinny is great for my summer and indoor activities. I like the Swift for cool fall mornings and wear one of my various Ventilators all winter!"

Getting the most out of your Sauce Headband

Skinny

1"
WIDE

The stretchy velvet on the inside grabs your hair and keeps it in place during even the most rigorous workouts.

The pull on your hair is gentle yet effective.

Give your hair a shake and see how the Skinny stays put.

Swift

3"
WIDE

The Swift Headband can be worn under hair or with a high ponytail above the headband.

Unlined and ideal for cool fall mornings and warm winter days.

Redesigned taper on back for added comfort.

Ventilator

4"
WIDE

For optimal fit, pull bottom seam down toward brow line. Looks great on men!

Lined with Polartec® Power Dry®, the Ventilator provides exceptional comfort and warmth for a wide range of temperatures.

Great under helmets.
