

Production:

Crafted entirely from fruit sourced from our home blocs 'Horse Paddock' and House on the Hill Cabernet Sauvignon on the home block on Stelzer Road.

Colour:

Deep Red

Nose:

Blackcurrants, raspberries and cherries interwoven with dark mocha chocolate fennel seed and red licorice.

Palate:

Rich mouth filling palate pleasing deliciousness. The bright fresh youthful red and purple fruits sit center stage and as the palate widens, deeper darker aged characters become apparent. While light on its feet it still has oodles of Barossa goodness a-plenty.
