

20' Std. 8'6" Corrugated-side containers – 3Q 2020

# We Deliver!

## WWW.JTCMODELTRAINS.COM

### ...Next month, not next year!

205314 NYK LOGISTICS (blue)

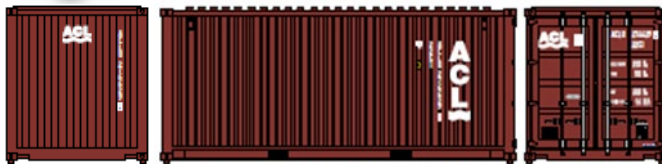

205311 K-LINE

These models feature IBC connecting pins AND our Magnetic connection system (magnets on bottom; metal plates on top) and are decorated with detailed prototype printing. JTC's Std. height 20' container series has been tooled with NINE different door ends. This allows for many variations and paint schemes to match prototype photos. **These Releases are Scheduled JULY 2020 \$29.65 per 2-pack**

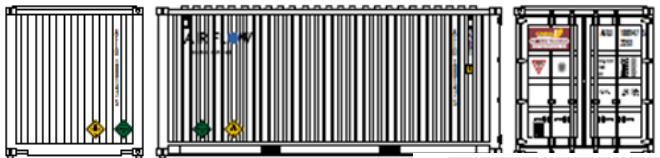

205318 ACL

205367 HANJIN

205357 AIRFLOW (COMPRESSED GASES UNIT)

AIR FLOW

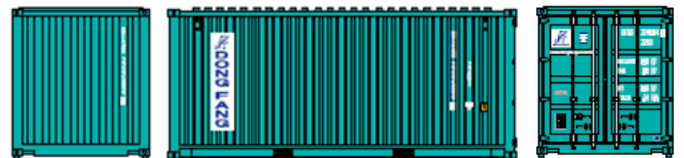

205316 CRONOS

205366 ONE (FBIU) set 2
