At Verdant, we're all about bringing people together. The Seaview has always shared this spirit; a welcoming space to connect over a love for good times, great beer & tasty food.

Our Seaview menu, inspired by Desi pub kitchens, celebrates modern Indian dishes, cooked authentically. 'Desi' is an identity adopted by South Asians to represent their heritage and culture. Desi pubs started as safe havens during the 1960s in Leicester, the hometown of Situ Cafe's owner, Sham Mulji, who designed our food menu. Across the Midlands, these pubs are now synonymous with integration and inclusion. At the Seaview, we're proud to bring a taste of that tradition to Falmouth through our food menu.
