

Liftoff™ is an effervescent energy drink providing ENERGY, ANYTIME, ANYWHERE.

Liftoff™ is an exclusive energizing blend of taurine, guarana and caffeine and is also enriched with B-Vitamins for energy production and Vitamin C known for its antioxidant properties.

It's perfect for anyone with an active lifestyle, particularly busy professionals, students, busy parents or sports enthusiasts.

### How does Liftoff™ work?

Liftoff™ contains approximately 72 milligrams of caffeine per serving. This is about the same as a 250ml cup of brewed coffee or two caffeinated soft drinks. It's easy to use simply by dropping one tablet into 250ml water for instant 'on the move' energy – anytime, anywhere!

- Provides an instant kick and extra energy boost when needed.
- Contains caffeine to help you stay awake and fully alert.
- Delivers 100% RDA of B-Vitamins and Vitamin C.
- No added sugar and low in calories.
- Convenient, portable pocket-size packets ideal for carrying around when on-the-go.
- Two refreshing flavours: Orange and Lemon-Lime.

### Key Ingredient Properties

- The caffeine in Liftoff™ comes from two sources – Caffeine Powder and naturally occurring caffeine from the herb guarana.
- Taurine is a non essential amino acid which serves several different functions in the body and can help fight fatigue.
- Vitamins B1, B2 and B6 are essential nutrients required for the successful production of energy.
- Vitamin C is another essential nutrient known for its antioxidant properties.

Liftoff™ - A burst of energy whenever needed!

### Product Label Information
