

**ANDERSON**  
**TUFTEX™**

**BERNINA MAPLE**  
engineered

This 5"-wide heavily scraped engineered hardwood has wonderful depth and character. What makes it so appealing is a special staining technique that accentuates the wood's own array of beautiful knots and unique grain formations. The soft, dark edges create visual impact while emphasizing each board's individuality. Colors range from traditional wood tones to more contemporary grey hues.

<b>Style Number</b>	<b>AA792</b>
<b>Construction</b>	Engineered
<b>Thickness</b>	1/2"
<b>Width</b>	5"
<b>Species</b>	Maple
