"Oh My God!!!! Just received the box. I can't tell you how happy I am with this! You really knocked it out of the park!!! Thank you on behalf of myself and the rest of my team here at Lyft. Amazing!"

**Google** // *Maria K.*

"Bestowe made a gifting experience feel as amazing behind the scenes as it did for those receiving it. They truly deliver a delightful end-to-end experience, from bringing your idea to life within your budget, to the presentation of the shipment and the final unveiling of the gifts. In a corporate world where swag is normal, the unanimous consensus was that this was the most thoughtful and beautiful gift package they have ever received."
