

the astor sofa

The Astor is our second smallest profile sofa, which it means it can go pretty much anywhere - it can be the main piece in a small space, or extra seating in a large one. The single bench cushion and two back cushions create a minimal, low-maintenance shape, and the partial button tufting, T-arm and exposed wooden legs give it the right amount of stylistic oomph.

Hand crafted in North Carolina, using local, sustainable hardwoods and eco-friendly materials.
