

the del mar sofa

One of our best sellers, the Del Mar can be configured in dozens of ways to suit your needs. It is a generously sized sofa, with a slightly higher seat than some of our other sofas, and a 50/50 fill bench cushion that wears well and is so comfortable, some clients use this in lieu of a twin-sized bed. The streamlined design seems to float on a handcrafted wooden base, and has slightly slimmer arms, so you can comfortably pile on the kids and the dog for an afternoon of lounging.

The Del Mar is available with or without the button tufting pictured above, in various wood finishes, and choice of slipcovers. It is custom crafted for us in North Carolina, using local, sustainable hardwoods and eco-friendly materials.
