

the further lane buffet

For those who prefer a strong silent style, the Further Lane buffet table is hand crafted of rift white oak with a hand applied cerused finish. Unmarred by hardware, it has a clean overall look. Each of the four doors conceals an adjustable shelf. Finished with a water based conversion varnish for durability and resistance to yellowing and moisture damage. A homenature exclusive, made in the USA.

Our interior design team will guide you every step of the way, from the moment you supply your ideal dimensions, to navigating the extensive list of customization options that includes wood stains, veneers, finishes and lacquer in every color Benjamin Moore makes.
