

the homenature chaise

A body-hugging, super comfortable, chaise that screams “nap time!” This mid-century-inspired design is very generously sized -- either 36 inches wide or 54 inches wide (as shown) by 64 inches depth -- yet reads smaller as it is perched on stylish but sturdy angled spindle legs. We love the channel upholstery. You can choose from dozens of fabrics and wood stains.

Hand crafted in North Carolina, using local, sustainable hardwoods and eco-friendly materials.
