the homenature mercer nightstand

After customizing our mercer cube end tables for various design projects, we decided to make the mercer nightstand part of our permanent collection. They are available in a variety of wood finishes and custom sizes. The matte bronze metal trim compliments the white oak and silver oak shown here. Other metal finishes are also available. Homenature exclusive.

Our interior design team will guide you every step of the way, from the moment you supply your ideal dimensions, to navigating the extensive list of customization options that includes wood stains, veneers, finishes and lacquer in every color Benjamin Moore makes.
