homenature

the laguna sofa

The sloping arms and curved back give the Laguna our most contemporary and graceful silhouette yet. The quality and ultra-comfy cushioning are what you have come to expect from Homenature. A choice of cushioning allows you to customize the look of the sofa. The multi-back pillow option gives a relaxed feel, while two back cushions provide a more tailored profile. An optional ball pillow acts as an exclamation point.

Made by hand in North Carolina, using local, sustainable hardwoods and eco-friendly materials.
