

the malibu sofa in crypton oasis ecru

Homenature's signature sofa, and one of our most popular, the Malibu is a curved design that will fit more people than you'd think and, thanks to its semi-circular nature, enables and encourages easy conversation. This is a great choice if you want to float a sofa (versus having it against the wall), as it looks fantastic from all angles, and becomes the quiet star of any room.

The Malibu is stocked in Crypton Oasis Ecru. A stain resistant soft chenille fabric in a goes-with-anything cream color. Both 84" and 96" sofas are available.
