

the montauk sectional

The Montauk sofa embodies relaxed, comfortable living without looking sloppy. The arm and back are the same height, creating a very clean silhouette that offers maximum room for lounging solo, or with others. Add the (optional) washable slipcover and turn this very versatile sofa into one that's pretty much worry-free. The Montauk comes in two standard sizes (the smaller is apartment-sized) and is also available as a sectional, and a chair with an optional swivel base. It's a great value overall, with some sizes in stock for immediate delivery.

Made by hand in North Carolina, using local, sustainable hardwoods and eco-friendly materials.
