

the mulholland chair & ottoman

Our take on a 1960s game chair is larger and a lot more comfortable than the vintage versions, while keeping the natural oak frame details and optional nail heads.

Designed to accompany the Mulholland chair, the ottoman features an elegant a natural oak frame with graceful, tapered legs and (optional) nail head accents. The double-cushion design makes it super comfortable for whatever rests on it, and a great option for last-minute extra seating.

A homenature exclusive, made by hand in North Carolina, using local, sustainable hardwoods and eco-friendly materials.

standard configuration
