

the ocean road sofa

The curvaceous lines of Ocean Road inspired by a sofa we lounged on every day while on vacation - it was big and deep and sucked us in. We designed the Ocean Road sofa to do the same. It is a beyond generous 43 inches deep, with a choice of pillows to customize your comfort experience -- either two large pillows over a bench cushion, or as shown, with the complete array. This style is also available as an equally curvaceous chair.

Made by hand in North Carolina, using local, sustainable hardwoods and eco-friendly materials.
