RE: 2004 Richard B. Aronsohn, MD Founder's Award for Best Scholarly Article

Dear Dr. Rullan:

On behalf of the AACS Board of Trustees, I am pleased to announce that your paper entitled "The 2-Day Light Phenol Chemabrasion for Deep Wrinkles and Acne Scars: A Presentation of Face and Neck Peels" has been selected as the best scholarly article appearing in Volume 21 of the *American Journal of Cosmetic Surgery*. All manuscripts published in the *Journal* are eligible for this award. Manuscripts are scored based on the scientific content, graphics, quality of photographs and writing style.

You will be presented with this prestigious award at the 21st Annual Scientific Meeting at the Grand Manchester Hyatt in San Diego, CA during the AACS Annual Membership Meeting taking place on Friday, January 28 from 11:00am – 11:30am. We cordially invite you to attend the annual membership meeting where you will receive an award noting your significant achievement. To register for the meeting, please visit www.cosmeticsurgery.org or complete the attached registration form and return it to AACS headquarters.

We hope that you are able to join us and again congratulations!

Sincerely,

C. William Hanke, MD
President
