

Crushin' on custom
Miron Crosby boots,
but don't know
where to start?

MIRON CROSBY

First, pick any of our existing styles.

From there, *make it your own* by choosing from our curated selection of leathers and exotic materials, and pick your own stitch colors.

Next, choose your toe shape.

As we say in Texas,
“*If it ain’t moving, monogram it!*”

Depending on the style, personalization is available
center-front, on the ear pulls, on the ankles, or on the counters.

Choose your
colors and font:
block or script.

G H I J K L M	<i>G H I J K L M</i>
N O P Q R S T	<i>N O P Q R S T</i>
U V W X Y Z	<i>U V W X Y Z</i>

Not into letters?

Add a ranch brand, logo or emoji.

Last, *make it heirloom quality* by penning a handwritten note we transcribe onto leather and sew into the liner of the boot.

Call us sentimental,
but the message box
is our favorite part!

Now for the nitty gritty:

Our custom boots take
10-12 months to produce
by hand in South Texas.
