

Valentine's Day Party Favors

by Hustlin' the Hendersons

These Valentine's Day party favors are a cinch to make and kids LOVE them!

1) Print this sheet and cut out the Lips and Moustache shapes below to use as a stencil.

2) Trace the pattern repeatedly onto a piece of craft foam and cut them out.

(Note: do not cut out the white center of the lips)

3) Carefully poke a small hole in the center of each design and stick a lollipop through the hole. It should be snug.

4) If you are using these as Valentine's Day Cards, have your child write "From: (their name)" on the back of each one.

5) Take pics of your kids eating their lollipops with big lips and moustaches and tag us on Social Media!
