

EXPANDABLE FOOTWEAR

Pandere shoes are designed to alleviate pain right out of the box. Our shoes are engineered for extraordinary comfort and a customized fit. Our patented shoe expansion system is designed to accommodate swollen feet and many other conditions.

CUSTOM FIT EVERYWHERE

PANDERE 3-D EXPANSION

We work with **CLINICAL PROFESSIONALS** like you everyday!

PANDERE SHOES are engineered to expand in all the key places where regular shoes hurt, pinch, or bind. If you have patients with foot swelling, a high instep, braces or other oddball feet, our shoes are designed for your patients.

BENEFITS OF PANDERE

- ✓ Pandere satisfies a poorly serviced market: swelling, AFOs, and other conditions.
- ✓ Removable insole - orthotic friendly.
- ✓ We can size your patients online or you can send patients to a retailer near you.
- ✓ Our shoes are GREAT for one normal foot and one problem foot
- ✓ Live chat (real humans) 7 days a week.
