We're hosting a team building activity to benefit local students served by Classroom Central.

Date: _____

Time: _____

Location: _____

1 in 2 local students are living in poverty. That means 50% of local students cannot afford basic school supplies through no fault of their own.

Join us in building “Kits for a Cause” to benefit local children in need. Each kit we create will enable a child to have the basic tools they need to be successful in school and, ultimately, in life!

www.classroomcentral.org

Classroom Central is a local non-profit organization that has provided free school supplies to area students in need since 2002. Supporting almost 100,000 students and their teachers across 6 school districts, their team provides everything from notebooks and pencils, to crayons and books, and so much more to nearly 200 schools each year.
