Stylish. Custom prints that are uniquely colorful, playful, elegant and modern

Safe. Tested and certified according to Consumer Product and Safety Commission standards and free of optical whiteners*

Care Instructions:     

Wash before first use. After first wash and tumble, you'll notice a beautiful quilting effect and a 5% shrink rate we've factored into our sizing. For stronger quilting, tumble dry on high. For less, line dry or tumble dry on low. Avoid machine washing or tumble drying with velcro. Pull directly on snaps rather than fabric when unfastening to avoid undue wear.

* Use in accordance with *A Parent's Guideline to Safe Sleep* published by the American Academy of Pediatrics at: <http://www.healthychildcare.org/pdf/SIDSparentsafesleep.pdf>. Remove before all naps and sleep.
