## HOW TO CARE FOR YOUR WOOD FURNITURE:

---

- When using the furniture for serving food and drinks, protective mats and coasters are recommended.
- Dust lightly with a clean, dry cloth.
- Wipe up spillages as soon as possible with a diluted solution of your Pronature Plant Soap Concentrate or a clean damp cloth.
- We do not recommend using any chemical and household cleaners as these can strip the wood of its natural oils and moisture leaving it unprotected.

---

We recommend re-oiling your purchase:

- 1st Re-Oiling | Two months after delivery.
- 2nd Re-Oiling | Every 6 months or when wood looks dry, dull or rough.
