

XG CARGO

MAKE ROOM FOR ADVENTURE:

Each year we strive for one thing: to make a better quality product and most importantly, we want to inspire the unique adventurous spirit that comes with the freedom of being a Jeep owner. We also want the Jeep community to be able to stand behind our brand as a symbol of that passion and authentic lifestyle.

**ADVENTURE IS CALLING - WE ARE HERE TO MAKE SURE YOU ARE PREPARED TO ANSWER.
LET'S GO!**

XG CARGO

GAMA

A NEW BREED OF STORAGE

Named after the famed explorer Vasco de Gama, who was the first to sail from Europe to India. The GAMA bags are the first rear mounted roll bar storage bag sets for your expeditions. This robust rear cargo tool mounts sleekly to the sportsbar, turning unused precious space into rock solid storage. Made with serious care of quality, ballistic nylon, reinforced molle strap system, pockets inside, reinforced side walls and built to be quickly detachable from the mounting kit. Easily carry tools, tow straps, emergency roadside kits, medical kits or even jump starters.

**BUILT FOR THE PIONEERS,
DOERS AND EXPLORERS.**

Build Ballistic nylon shell / recycled ABS internal frame
Mount Rear sportsbar / patented
Freedom Molle attachment system / detachable /
 grab handle / sportsbar protection / YKK zippers

Dimensions 16" W x 19" H x 3.5" D

Storage Space .76 Ft³ / .38 Ft³

Weight Capacity Light cargo only

Fitment JLU/JKU with or without the hardtop

Exterior Color Black w/sunset orange stitching

SMART STORAGE

When every inch of storage counts in your Jeep, you need to utilize every bit of it. The Gama discovers space that has never been utilized. This system is well thought out and made so that no critical items are left behind.

1. AS MUCH STORAGE AS A CARRY - ON

The set of Gama storage included gives you about as much space as your average carry - on luggage in commercial travel. With the rigid internal frames your bag can hold its shape while you pack them full.

2. CUSTOMIZABLE MOLLE ATTACHMENT

Not only is there storage on the inside, there customizable storage on the outside with 3 rows of molle. Use any specifically designed molle accessory from; clips, med kits, hanging bags, and more to rule on the trail.

3. SECURE AND QUIET

Noise and security are of the utmost importance. The rubber dipped frames provide shock resistant base without metal on metal or plastic on plastic friction creating an ultra quiet ride.

4. CARRY HANDLE

The Gama is created to detach from the frame and be used in the field. It has a built in carry handle that remains tucked in when mounted to the frame.

SPORTSMAN

THE STORAGE WALL

Patented shape and rigid backing makes this choice for an interior upgrade on the Jeep Wrangler easy. This rear cargo tool is seriously versatile and sexy. Mounted strongly to OEM points and six rows of molle, this thin and sleek wall makes the perfect compliment for the Jeep owner who carries the instruments of adventure. Complete with a removable safari mesh window.

BUILT FOR THE PIONEERS, DOERS AND EXPLORERS.

Build	PVC backed shell/ recycled ABS internal
Mount	Rear 8-point
Freedom	Molle attachment system / removable window / 5 pockets / 2 canteen holders / secret compartment
Dimensions	58" W x 33" H x .5" D
Storage Space	.5Ft ³
Weight Capacity	Light weight cargo only
Fitment	JLU/JKU with or without the hardtop
Exterior Color	Black w/sunset orange stitching

THE STORAGE WALL

Sleek, savvy and sturdy the Sportsman is the ultimate adventure tool. A rigid wall designs allow customization across the dual sided molle system. An 8-point mounting system, removable safari window and an optional seamless liner makes it a great choice for a Jeep owner with a pet.

1. LARGE STORAGE POCKETS

Three large storage pockets built in the most accessible area in the rear of the Jeep. Includes a large compartment in the cab side as well.

2. OPTIONAL FLOOR LINER

For complete protection of your rear cargo area add the floor liner that mounts seamlessly to the Sportsman. It is constructed of rugged waterproof vinyl material. Perfect for pets!

3. REMOVABLE SAFARI STRAP WINDOW

Need more privacy? Use the safari strap window as an additional deterrent. Made to be non-intrusive to the rear view of the driver.

4. DUAL MOLLE WALL

Six rows on dual molle walls to customize storage needs. Hang, clip, strap or fill the molle with essential items for the trail.

RECON

CHALLENGING THE STATUS QUO

Being a renegade is a feeling and a lifestyle. This bag is built to facilitate the two door Jeep Wrangler with secured shelved storage. The Recon is constructed with a ballistic nylon shell and military styled metal buckles for added security in the demanding off-road setting. Double sided molle attachment to customize fittings inside and out.

BUILT FOR THE PIONEERS, DOERS AND EXPLORERS.

Build	Ballistic nylon shell / recycled ABS internal frame
Mount	Rear sportsbar / patented
Freedom	Molle attachment system / detachable / grab handle / sportsbar protection / YKK zippers
Dimensions	17" W x 19" H x 3.5" D
Storage Space	.5 Ft ³ / .25 Ft ³
Weight Capacity	Light cargo only
Fitment	JL/JK with or without hardtop
Exterior Color	Black w/sunset orange stitching

BIG SPACE

Built for the Jeep owners who need storage the most. These big boys will do the heavy lifting for the 2 door JK and JL, made for the trail with extra re-enforcement. Access the molle system from the inside or out, two storage compartments and a heavy duty hardware give the Recon the ability to go anywhere.

1. MASSIVE STORAGE

The most amount of storage in the line, the pair of bags makes approximately .5cu ft3 or new storage. Store any light duty gear up and away from your cargo space with the sportsbar mount.

2. HEAVY DUTY HARDWARE

Constructed with metal buckles re-enforces the safety and security needed for off-roading. Along with its rugged stylization, there are rubber sportsbar pads underneath each buckle for optimal grip and protection for the paint.

3. DETAILED INTERIOR

Created to give you universal storage on the inside. Areas to hold tools, clips for keys, and other highly accessible pockets. Heavy duty material gives you the same protection inside and out.

4. DUAL COMPARTMENTS

The Recon comes with an upper and lower compartment to further organize gear. The bottom compartment offers a waterproof material covering the door.

MAGELLAN

ELEVATED SPORTSBAR STORAGE

Don't build out, build up. In 1519 Ferdinand Magellan thought the world was much larger than had previously been imagined. Discover how big the world can become with the proper integrated Jeep storage. The "Magellan" sportsbar bag transforms a two dimensional Jeep storage space into a three dimensional space by building up.

**BUILT FOR THE PIONEERS,
DOERS AND EXPLORERS.**

Build	Ballistic nylon shell / recycled ABS internal frame
Mount	Rear sportsbar / patented
Freedom	Molle attachment system / detachable /sportsbar protection / YKK zippers

MORE ADVENTURE

THIS IS WHAT DRIVES US

We started XG Cargo with the intention of facilitating our adventure. Spending time outdoors with the people we love. This is why we innovate. We have a simple goal of freedom by producing more storage for the items that make this adventure possible. We design products to create new storage spaces with safety and customization in mind, to make the process more effortless in conquering the unknown. Now get out there and adventure!

MORE SUSTAINABILITY

OUR COMMITMENT

Sustainability means responsible innovation. We build products by making every decision with the highest regard for the environment and the people we work with. We are committed to waste reduction in packaging and the materials used in our products and strive for efficiency in our process as well as building products that should last.

MORE QUALITY

RUGGED. TESTED. SECURE

Industry leading innovation and quality comes from paying attention to every detail. Through rigorous testing and engineering, each detail is taken into account. The best materials are chosen for their durability, weight and security. Precision sewing requires knowledge and experience. The Jeep owner demands quality and usability, with 25 years of experience, we deliver.

MORE CUSTOMIZATION

MORE FREEDOM

Customization equals freedom. We design our products with the ability to be multi- functional. From the molle system on the outside of each product to our unique mounting systems, we strive to give the end-user more options and the ability to mount many XG Cargo accessories in reverse to cater to your individual needs. After all, we're not all right handed.

MORE WARRANTY

INDUSTRY LEADING

We are shifting the paradigm from the current low quality, short lasting standard of cargo storage. We strive to build long lasting, usable and most importantly storage you can trust. We back our craftsmanship with a industry leading 3 year warranty.

YEAR WARRANTY

MORE FUN

IT'S A LIFESTYLE

Being a Jeep owner is more than being a car owner, it's a lifestyle and embodiment of the adventurous spirit. The "Jeep wave" recognizes this in a discreet hello in everyday life. We design products from coolers to stainless cups and containers to the apparel that speaks this lifestyle. We want to be a symbol of that lifestyle we are so proud of and make products that bring us together.

TO THE EXPLORER

ETHER OF LIFE

When you are a part of the off-road community, you're apart of something bigger. Bigger than a car, bigger than a wave. You are apart of an ethos, a calling, a larger construct you might say. You are known for venturing into the unknown, which can be scary, but it is in facing these fears we truly start to strip down the age old question of what is the purpose of life. Through these experiences you are connected to the things that matter the most. Finding that perfect night under a blanket of stars you can start to see your own answers more clearly. The act of pursuing the answers may be the answer after all. Now is your time to get out there and pursue life!
