

About Home Idol

MISSION STATEMENT

"Home Idol tries to save homeowners every penny, maximize profits, and minimize risk for builders and investors."

COMPANY INFORMATION

Home Idol has an established reputation, first opened in 1992, providing retail and wholesale tiles under the name Newport Tile. In 2008, Newport Tile re-branded as Home Idol and was proud to be able to offer a wider variety of building supplies. In 2010 Home Idol started its own development and building division.

In 2012 Home Idol began to specialize in providing materials for large scale projects. We recognize the challenges faced by contractors and aim to provide solutions. Our ability to bulk purchase enables us to be able to ensure continuous delivery of product without interruption. When large-scale projects finished, we are able to sell overstocked materials at amazing outlet prices.

Home Idol has negotiated manufacturers' warranties for the products we carry for terms of up to one year. We stock CSA and UL products. We will inform our clients regarding our store policies and check items for defects and quantities before leaving or upon delivery. Low pricing is our speciality and we encourage the clients to acquire all the measurements, licensing and permit requirements in order to take advantage of our pricing.

Our mission is to be dedicated to our community's nourishment by harmoniously blending our conduct with materials. We will be guided by our wisdom daily and our openness to being honest in our everyday values. We promise to connect every consumer to the best service, best advice, and the best product consistently and unconditionally. We listen to what our customers need.

KIND REMINDER

We encourage our customers to read the city bylaw ([PDF](#)) for building code on the City of Vancouver official website ([link](#)) before doing your home improvement projects. We also suggest our customers to do all the measurements that meet their project's needs before shopping at our store first. **Please be aware that we reserve the rights to eliminate services for any customers who failed to prove that they have acquired the proper licenses for their projects.**

For better shopping experience, you can browse our product catalogs for more product details on our website and our mobile apps. You can download our mobile apps on [The App Store \(iOS\)](#) and [The Google Play Store \(Android\)](#).
