

AAS 38

PRODUCT FACT SHEET

AAS 38

DESIGN BY HEE WELLING & HAY, 2010

The bar stool About A Stool AAS 38 has the same capacity for transformation as the other members in the series, ranging from a minimalistic plastic stool to a more full-bodied upholstered version (AAS39). The curved backrest is balanced on an elegant rounded frame in steel, showcasing a more industrial design with a strong visual presence. Suitable for using as a bar stool in bars and restaurants, as well as at home for informal meals. Available in two heights and in a range of steel finishes, colours and upholstery options.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Variability of shell colours and base finishes.
- Available with plastic shell, with front upholstery (AAS 38) and full upholstery (AAS 39) in a large selection of fabrics and leathers.
- Also available with moulded plywood legs.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
