BALCONY COLLECTION

French brothers Ronan and Erwan Bouroullec have teamed up with HAY to create Balcony, an elegant new collection of outdoor furniture. Comprising an assortment of chairs, tables and benches, Balcony's expression is characterised by the symmetrical holes incorporated into the design. The presence of these laser-welded holes softens the aesthetics, as well as providing extra stability, creating a versatile collection that offers strength, comfort and a distinct appearance. Made in powder-coated steel with a weather-proof coating, Balcony's diverse size and colour options makes it suitable for all kinds of outdoor spaces.
