## CUSHIONS

HAY'S cushion collection offers you an easy way to add colour, texture and warmth to a sofa, bed or chair. Keep the colours or fabric types matching and tonal for a cleaner, cohesive look or mix them up to create a more eclectic, contrasting expression. From HAY's classic Dot series in a wide range of colours, sizes and textiles to the luxurious Soft Stripe and distinctive Colour collections and the more subdued Plica series, HAY's cushions add personality and individuality to any interior space. Whether you opt for rich, colourful velour, natural linen in neutral tones or wool-blend with distinctive textures, HAY's cushions are made in resilient, quality fabrics that are designed to last.
