ETHAN COOKS FLAT WORKS

DESIGN BY ETHAN COOK

FLAT WORKS

Inspired by his decorative woven wall art, Ethan Cook's Flat Works is a series of handwoven kelim rugs designed for HAY. Featuring a geometric abstract design, the rugs translate the designer's bold colour-blocked artwork into practical and decorative items. Crafted in a New Zealand wool-cotton blend, the dyeing and weaving processes mean that each rug varies slightly, giving them a unique, one-of-a-kind quality. Available in different sizes and colour combinations, the rugs are suitable for use in the bedroom, hallway, living room and many other interior spaces.
