You may **cancel** up to one week before the commencement of the series, and receive a shop credit for the full amount. We regret that we can offer no cancellation credits after this date.

A list of required **materials** will be emailed to you upon registration. Patterns must be purchased either through your Ravelry account, or in person at the studio. If you wish us to provide you with a print copy of a purchased pattern, a printing charge will be added to your order.

We are glad to offer **between-classes help** if needed. Drop in during studio hours (see our website for specific studio days and times) or come to Knit Socials at Sybil Andrews' Cottage the first Monday evening of each month.

#### A Walk Through Aspens
