

G-PRO BRIEFCASE CONTROLLER DATASHEET

DC OPTION

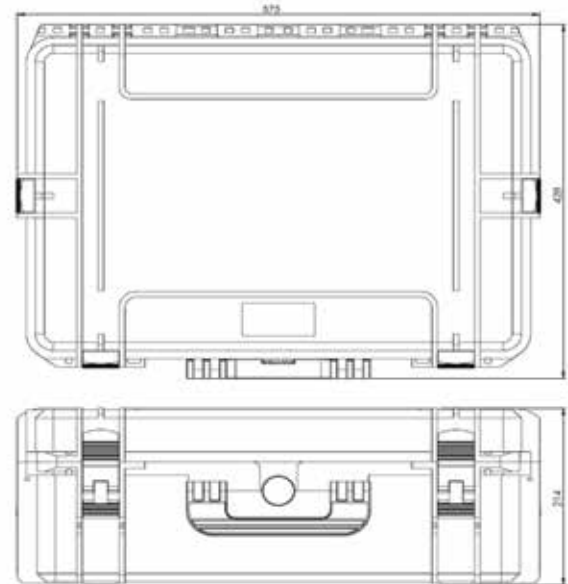

The G-Pro Briefcase Controller is a Portable Control System, built into a robust hardened briefcase. The control is designed for D8 and D8+ chain hoists with ceeform outlets, and comes in both low voltage and direct control versions. The controls are 4 channel per controller, and both controllers weigh under 10kg, so can be easily moved around and transported as required.

FEATURES

- » Hardened Plastic Casing with Grab Handle for Easy Transport
- » Ceeform Connections, so no hard wiring required
- » Weighs under 10kg -portable
- » Individual toggle selection switches for each hoist
- » Direct and Low Voltage Control Options
- » Thermal Magnetic Circuit Breakers designed for motors
- » Phase Indicator Lights to show all phases are present before use

LV OPTION
