

PLANETA PREMIUM PRO-E MANUAL CHAIN HOIST

The new PLANETA Premium Pro E series hoist is a further development of our reliable manual chain hoist Premium Pro. Instead of a hand chain, this hoist is driven by a cordless screwdriver, allowing lifting with less effort. Available in 250 kg, 500 kg and 1000kg.

FEATURES

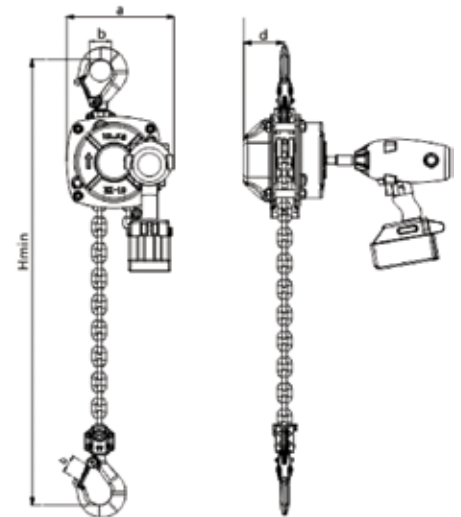

- » Compact design
- » Galvanized load chain which conforms with DIN EN 818-7-T standard
- » Corrosion resistant
- » Closed housing to cover gears and protect against dust and dirt
- » 360° free turnable load and top hook, made of tempered steel
- » Driven by cordless screwdriver
