Juicy lemon, mandarin orange, breezes of lime, salinity notes. Palate is dewy and soft with fresh orange, white peach, wildflower. Founded by Marie-Claude and Gérard Bonnet over 40 years ago, led by their son Eric since 1999, they are committed to the environment with organic certification.

TENUTA DI TAVIGNANO PASSERINA, 2022

16.99

Lime blossom, orange curd, sugared lemon. Orange slice candy, frosted flakes on a high energy, spirited, dry, crisp palate. Passerina is the lesser known native white varietal from central Italy, grown on the Adriatic Coast in the Marche region where Verdicchio and Pecorino are the predominate varietals. The microclimate of Tenuta di Tavignano is ideal, with higher altitude, diurnal temperatures (warm days, cool nights) and soft slopes resulting in brilliant wines. While the Estate is family held, there is a deep team of exceptional people that invest in the land through organic farming as well as balancing tradition and innovation.

Cola, purple berries. Sweet violets, boysenberry rounded with cream. Bright and friendly. Palate is juicy upfront then settles into a crunchy, feisty glass. Herb and balsamic notes. All the spunk of Syrah but delivered with a gentle touch. "Crunchy Roastie" is Stolpman's ode to Northern Rhône Syrah, developed by the family over time by altering their winemaking techniques to pull back on cellar interventions and leveraging a lightweight approach, picking the Syrah earlier and using Carbonic fermentation. In addition, to pull more aromatics and bright fruit, 5% of Viognier is co-fermented to give the Syrah a softening edge.
