60 Caps

Good Health Imaglow advanced New Zealand collagen formula is an exclusive skin nutrition formula that works from within to support smooth, youthful looking skin. Imaglow helps with the appearance of pigmentation, spots, dryness and fine lines.

Providing a high level of collagen, Imaglow supports skin renewal and regeneration. The combination of these key ingredients helps support the maintenance of skin elasticity, firmness, and resilience by supporting collagen and elastin production, protecting against environmental free radicals and aiding moisture retention.

Good Health, Auckland.
