**Sanderson Triple Zinc FX 100s**  
100 Tabs

Sanderson Triple Zinc FX is a premium complex of three organic forms of zinc designed to optimize the body's absorption of the elemental zinc content.

Zinc is an essential mineral that is a component of more than 300 enzymes needed to repair wounds, maintain fertility in adults and growth in children, synthesize protein, help cells reproduce, preserve vision, support immunity, and protect against free radicals, among many other functions.

Each Sanderson Triple Zinc FX tablet contains the maximum permitted dose of elemental zinc in a dietary supplement at 15mg.
