PRODUCT PROFILE

Box Dimensions

Model Number: G60039

SPECIFICATION

Meterbox Material: Glass reinforced plastic
Meterbox Colour: Brown

INSTALLATION ENVIRONMENT

The gas service entry is below ground to the bottom left of the meter box where a built-in entry boss is located. The outlet position is located at the top right-hand side of the box. This can be ignored if rear or left-hand exit is preferred (a new hole would have to be drilled in these circumstances). The meter is placed in the well of the box and can be sealed to the top edge with the use of the neoprene seal (sold separately).

KEY FEATURES

- Weather resistant
- Will not rot or corrode
- Suitable for U6/G4 metal cased gas meters
- Meter box key included
- Fire retardant to BS476 Part 7 Class 2
