The Jesus Studies

Stress. It's a dominant part of your teenagers' daily lives. Stress over schoolwork, sports, jobs, and friends. Not to mention the stress that their home life can cause. Teenagers juggle so many responsibilities and deal with so much pressure and expectations. How can we lead them to deal with stress in a godly, Christ-centered way? Good thing Jesus had a ton to say about this.

Jesus and Stress will help you teach your students to trust God with the stress of life; that they have a choice when it comes to dealing with their stress; that choosing to trust God with their stress is the right decision even if they don't understand exactly what God is doing; and that the Holy Spirit is present in their lives to give them peace and comfort.

Teach Jesus and Stress and help students see that God is the source of their peace and assurance in a stressful world.
