What teenagers doesn't experience tough times? Whether it's the relatively run-of-the-mill relational issues that plague high schoolers or bigger issues such as divorce, or the death of a loved one, teenagers have their share of struggles. Knowing where to turn in troubled times can be a challenge. How refreshing, then, to know that Jesus spoke extensively on the challenges we face, and how we can bring our cares to God in trying times.

Jesus and Tough Times will help you teach your students that when they experience tough times, they should express their emotions to God in real, honest ways; that faith in Jesus and His ability to lead them through trials is what will get them through tough times; that Jesus stands ready to offer comfort to them in the midst of their tough times; and that when Jesus ultimately delivers them from tough times, their response should be thankfulness and praise.

Teach Jesus and Tough Times to your students and help challenge them to seek God out when life gets tough.
