The Jesus Studies

Here's a truth about the teenagers in your ministry: Not all of them are leaders. "OK," you may say, "tell me something I don't know." Well, try this: While all of your teenagers might not be leaders, all of your teenagers have influence. Every teenager in your youth group is capable of influencing someone. Your students have the potential to make an impact on the world around them. And wouldn't you know it? Jesus had quite a bit to say about how they should use their influence.

Jesus and Your Influence will help you teach your students that Jesus desires to use their influence to positively impact the world for God; that their influence is impacted by how their lives do or don't match up with their faith; that real influence comes when they put other's needs before our own; and that the ultimate use of their influence is leading others to Christ.

Teach Jesus and Your Influence to challenge students to make a difference in their worlds.
