ACTOR 1

Do not grow weary of doing

ALL
good

ACTOR 2

Though the world tells you that you

ALL
should.

ACTOR 1 and ACTOR 2

That the struggles's too hard,

ALL

that the road is too long.
There's no purpose,

ACTOR 1 and ACTOR 2

no point,

ACTOR 1

that what's right is wrong.

ACTOR 3

Do not get tired of fighting the fight,

ACTOR 2

Of taking your punches when you stand for right.

ACTOR 1

It's such hard work to keep fanning the flame,

ACTOR 3

And it's easier than anything to ignore your name
Being called in the darkness and the choking dust

ACTOR 1

When your keys to the kingdom are

ACTOR 2 and ACTOR 3
gathering rust

ACTOR 2
But (there's a but)

ACTOR 1
your mind's set apart

ACTOR 1 and ACTOR 3
He's chipping away, always reclaiming your heart.

ACTOR 2
It's worth it, you know, to run your race well.
To live out your life as a clanging bell

ACTOR 3
that's fully devoted to the cause of His glory,
That trusts in the Author,

ALL
not in the story.

ACTOR 1
We say we believe what the scriptures tell us,

ACTOR 2
That he's with us,

ACTOR 3
he's for us,

ACTOR 1
and that he's zealous

ACTOR 2 and ACTOR 3
That he'll never abandon us,

ALL
no matter what.

ACTOR 2
That every burden we bear is another short cut A
cheat code for better beholding his face

ACTOR 3
That our lives make a map by which we can trace

how he goes before us in every regard

ALL

that there's no loss we've suffered that he's not
born the scar.

ACTOR 2

The world bumps and bruises, kicks us when we're down,

ACTOR 1

Over mountains, through valleys,

ACTOR 2 and ACTOR 1

past every ghost town.

ACTOR 3

Don't be good, don't be moral, that all ends in death

ACTOR 2

Fight for truth,

ACTOR 2 and ACTOR 1

scrap for grace,

ALL

keep grasping for mercy

ACTOR 2

with each gasping breath.

ACTOR 1

Just because it's hard, doesn't mean that it's good.

ACTOR 3

And just because it's easy, doesn't mean that you
should.

ACTOR 1

Look not to the world or even yourself
To tell you who you are, they don't know themselves.

ACTOR 2

Do not grow impatient when you don't understand

ACTOR 3

He is worthy of trust, he holds you in his hand.
