

THE THREAD

Discovering The Thread of the Gospel Through The Big-Picture Story of the Bible

The Thread from YM360 is designed to accomplish two simple things.

First, your students will learn the big-picture story of Scripture. So many teenagers simply don't have a grasp of the narrative of the Bible. Key characters. Key events. Few students understand how these elements fit into the story of God and His people. *The Thread* aims to change this.

Second, your students will learn what the Gospel is, and how it courses through the narrative of Scripture. Not only will your students learn the story of the Bible, but they will see that it is a story of unfailing love, as God seeks the beginning of Creation to draw humankind to Him through the grace of the Gospel.

The Thread will teach your students God's story, and how God wove His thread of love through every page of it.
