

AMPLIFY

GROWING A
FAITH THAT LASTS

SCOPE AND SEQUENCE

To grow a dynamic faith, teenagers must know God and His ways. They must understand what God expects of His people. And they must be able to see the world through the lens of God and His character. In a world increasingly opposed to the things of God, where can students go to find the necessary truths to cultivate a vibrant faith?

Amplify: Growing A Faith That Lasts, is a powerful study that equips students to grow a dynamic faith by studying a variety of core spiritual truths. Over the course of 52 weeks, **Amplify** examines 17 foundational elements of faith, each using a unique three-lesson framework. Your students will journey through such important concepts as the Holy Spirit, worship, obedience, evangelism, and prayer.
